## THE PRICES BECOME STARTLING!

Our Entire Stock of the Season's Best Products at Only a Part of their Actual Value.

**From Basement to Top Floor Every Stock Shall be Reduced Rapidly!**  
**We Will Not Stop at Anything; Losses Cannot be Considered.**

In viewing the present prostration of the country's commerce there appears to us to be but one wise course for the merchant to pursue, and that is to as speedily as possible force his stocks to the lowest limits. An early loss will most assuredly be the lighter loss. A deferred loss will as certainly be greater in a heavy shrinkage of the value of old merchandise, and a bad barrier in the way of sure approaching opportunities. Besides, if this policy should become general it would be one of the greatest factors in the more speedy bringing round a better and more hopeful view and in stimulation all along the line from the consumer to the producer. Good times are coming but we cannot do better than to hurry them along as fast as we can. The movement which we have commenced will be given constant and increasing force from day to day. Lots are now becoming broken and pieces shortened in many instances, and all such lots and pieces will be closed regardless of any value. Dress Goods will throw their short pieces and odd lots on improvised counters, near to their department. Cloaks will now begin to divide into lots as broken sizes compel further reductions. Underwear has many lots of broken sizes and these must be closed rapidly. Millinery will commence this week to close out as rapidly as possible and large reductions will be made in this department. We are determined to make as clean a sweep as possible of our entire stocks, wholesale and retail, and these tremendous reductions cover from basement to garret. No goods are held back, and the magnificent opportunity which such an opportunity presents to the public has never occurred before. New regulation of stock and many still deeper cuts in prices for this week. We will halt at no sacrifice, as we believe it the true policy under the present conditions. Be on hand promptly at 8 a. m.

### SPECIAL NOTICE.

This week's sale will have many features even stronger than the great sale of the past two weeks. The times, to be sure, are extraordinary, but the sweeping character of this sale has stamped it without doubt as the greatest undertaking ever assumed by any mercantile house in this section of the country, and has carried enthusiasm and surprise to homes in this city and far beyond it. It is not a departmental sale, but a general sale of such a sweeping character as to make it the greatest benefit to every one. We shall for this week still maintain the enormous reductions throughout our establishment, and have added very strong attractions, by taking the vast lots of remnants and broken lots and making them at still greater reductions. These cannot last but a day or two and ladies from the city and adjacent to it should make strong efforts to attend the sale as near to the opening hour as possible. We have made preparations for the greatest crowd yet, and arrangements have been made by the Security Parcel Delivery Co. of this city for the prompt delivery of all packages.

EVERYTHING STRICTLY AS REPRESENTED.
